FISHER
ENGINEERING

Fisher Engineering, Inc. (FEI) is a fire protection engineering design and consulting firm. Like most people that major in fire protection engineering, we got into the field because we wanted to make a difference. With their passion for engineering, our senior staff guide our young talent to grow and develop into knowledgeable, high-performing engineers. Even though our work is serious, we have fun while doing it.

What We Do: We provide building and fire code consulting, fire protection system design and commissioning, third party fire protection engineering design review, fire origin and cause investigation, forensic fire protection engineering analysis and expert testimony.

Where We Do It: We work globally, but most of our work is in North America. We work in aircraft hangars, fuel tank farms, manufacturing facilities, chemical process facilities, laboratories, hotels, rocket integration/launch facilities, warehouse/storage, detention/correctional, as well as office and residential facilities.

WHAT WE'RE LOOKING FOR

Come grow with us! We're looking for a Fire Protection Consultant for both our Atlanta, GA and Phoenix, AZ offices. As a fire protection consultant with FEI, you will work with our registered fire protection engineers performing:

- Fire protection and life safety system design
- Commissioning of fire protection and life safety systems
- Facility fire protection, code and life safety analysis
- Hydraulic modeling, including hydrant and fire pump testing
- Forensic engineering

QUALIFICATIONS

- Interest in getting your hands dirty and feet wet in the field. We don't just sit behind our desks buried in code.
- Bachelors or Masters degree in Fire Protection Engineering
- Five years or less work experience in fire protection engineering
- Engineer-In-Training (EIT) preferred
- Revit or AutoCAD experience preferred
- U.S. Citizen required

FEI offers an excellent compensation package including profit sharing, retirement plan (with company match), health/dental insurance and flexible work hours.

FEI is an equal opportunity employer.
