FEDITC, LLC is a fast-growing business supporting DoD and other intelligence agencies worldwide. FEDITC develops mission critical national security systems throughout the world directly supporting the Warfighter, DoD Leadership, & the country. We are proud & honored to provide these services.

Overview of position:

FEDITC is looking for a qualified and Registered Fire Protection Engineer (FPE) to support our Air Force customer’s civil engineering mission and internal operations near Western Tokyo, Japan. The candidate will provide FPE support in the areas of:

- Operations and Maintenance
- Sustainability, Restoration and Moderation (SRM)
- Military Family Housing (MFH)
- Military Construction (MILCON)

Requirements:

- Ensuring local standards, regulations, and, in particular, fire codes are met
- Providing inspection and oversight of facilities, new construction, renovations, etc. to ensure compliance with all applicable fire codes and other regulations
- Assist briefing for base leadership on project status and other related issues
- Provide technical support in planning, budgeting, data analysis of project design reviews, and cost estimates
- Assist with project oversight of all MILCON and Sustainability, Restoration and Moderation (SRM) projects
- Assist in preparation and execution of acquisition packages and resolution of construction challenges
- Review project material submittals and deliverables, and provide technical comments
- Provide Quality Assurance and Quality Control (QA/QC) of other contractors’ work products

Experience/Skills:

- Must have at least 5 years of fire protection experience at military facilities
- Knowledge of Federal and Japanese regulations and statutes, as well as Air Force and Department of Defense regulations

Education:

- Minimum of a Bachelor’s degree in Fire Science, Fire Protection Engineering, Mechanical Engineering, or related field

Registration and Certification:

- Professional registration as a Fire Protection Engineer required (any state)
- While not required, experience as Authority Having Jurisdiction at the MAJCOM level is desired

Clearance: US Citizenship and passport required; must be able to obtain a DoD clearance and pass a background check for Common Access Card (CAC)

Please apply at www.feditc.com or contact Matt Elliott, Lead Recruiter, FEDITC at melliott@feditc.com.
